HVSC 2010

Dear HVSC Member Family:

Opening day for Huron Valley will soon be upon us! Join me in welcoming back our management team lead by Liz Hill in her third year as manager. Pete Loveland, head swim coach, is back for another dynamite year and has assembled a talented swim and dive staff that is ready to embark on another successful swim/dive season. Phil Campbell returns for his sixth year as our tennis professional. Phil and his staff are poised for another successful year and look forward to working with kids through adults.

Our 2010 season begins with **Opening Day at 9am on Saturday, May 29th**. But before that first dip in the pool, bounce on the tramp or volley over the net, there is much work for **YOU TO DO!** Please make sure you:

1. **Order your HVSC gear by May 1st!** This deadline comes fast and we don't want you and your family to miss out! Get the latest clothing and support this important fundraiser for the swim/dive team. Please download the order form from www.hvsconline.com and mail to:

Just for helping each family will receive 4 guest passes for the season! (5 passes for the closing workday to enjoy next year!)
